CIDER FRESCA SERIES

GLUTEN FREE

GO TEXAN.

Cherry Red, part of our Cider Fresca Series, is a hand-crafted semi-dry cider infused with Montmorency cherries grown on the coast of Lake Ontario. Made with a carefully selected blend of Great Lakes heirloom and culinary apples, the subtle hint of cherry reminds us of the early days of summer along the lake.

CIDER MAKER'S NOTES

We start with a dry cider with lower total acidity, then add Montmorency cherry juice from the Great Lakes to balance the acid and add just the right amount of natural sugars to bring the blend to life. The cider is truly complemented, not overwhelmed, by the cherries in this precise blend that showcases the best of both fruits.

AROMA: An aromatic expression of ripe cherries, strawberries, and pomegranate.

INGREDIENTS: Fresh Apples, Montmorency Cherry Juice Concentrate, Sulfites

FLAVOR: Dynamic and well balanced, ripe cherries and a hint of cinnamon dance well with an apple forward finish.

PAIRINGS: Fried Chicken, Pork Belly, Pecorino & Cured Meats, BBQ, Spaghetti Bolognese, Pizza, Gumbo & Crawfish

COLOR: Cherry Rose Gold

ABV: 6.5%

With family-owned farms along the shores of Lake Ontario, City Orchard taps deep into the roots of Great Lakes Apple Country. We bring the heritage of our cider culture and orchards to our favorite city. We press carefully selected apples on the farm, truck the juice to Houston, and produce traditional ciders in an urban setting – we are an orchard in the city.
